Temporary walkabout guide

**COVID SECURE
TO KEEP YOU SAFE**

To manage visitor numbers Towneley Hall is now using a booking system for people to enter the hall.

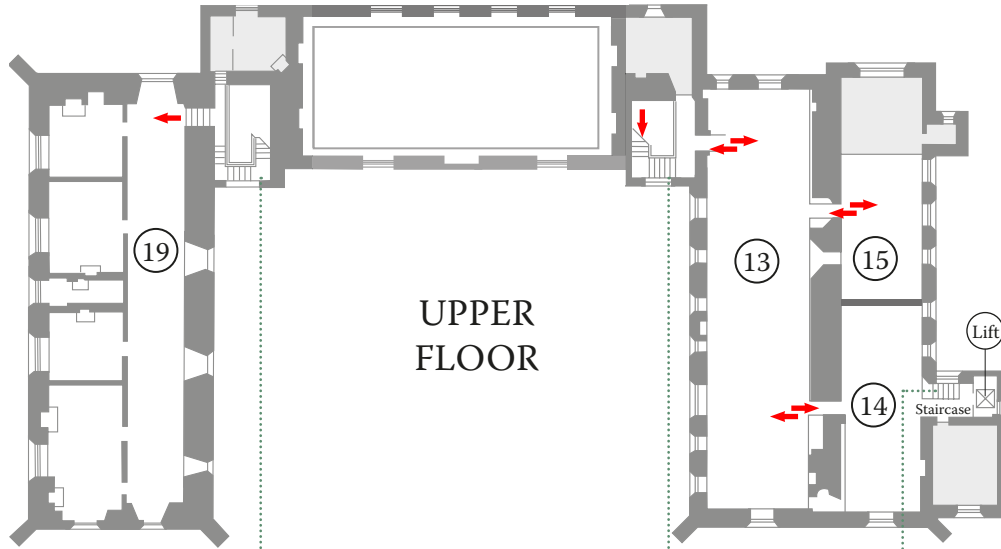

A one-way system has been introduced with floor signs and a map to help visitors navigate around our beautiful building.

Screens, hand sanitizer and frequent cleaning have also been introduced to help keep visitors safe whilst visiting.

We are also introducing more online exhibitions and activities on our website, visit towneley.org.uk for further information.

From all our staff and volunteers, thank you for your continued support during these difficult times.
